Dear David,

Come be part of TEACH's first used curriculum sale! TEACH members and non-members alike can buy, sell, or both. Our sale, scheduled in April, enables you to sell what you finished with last year and find what you need for next year at reduced prices before having to buy new books at higher prices.

Thanks and God bless you!

The TEACH Board

We are blessed to be able to use a tried and true method from MassHOPE and RIGHT. We think you will find that the detailed instructions which will be available on our website <http://www.teachct.org> will make buying and selling easier for all. Those interested in selling curriculum must register by March 31. All books will be dropped off at Valley on Friday morning April 3 during general appointment times. A third party can make the drop-off for you as long as they are willing to be responsible if books are not correctly tagged.

Visit our website at <http://www.teachct.org> for detailed instructions. If you do not have web access, call Paula Zitzman 203.264.2965.

If you would like to volunteer, with the opportunity to shop early, visit the website for details about that. We hope to need lots of help!
