April 2010

April 16-17 - 2nd Annual TEACH Used Curriculum Sale
(10am - 1 pm)

Mark your calendars to join us at the Waterbury Christian Fellowship(right off I-84 in Waterbury). We hope this new location will be even more convenient for more people than last year's at Valley Community Baptist. Start setting aside your no-longer-needed items for sale, and come browse to see what you can find before convention season starts. Details on labeling your books for the sale and drop-off points throughout the state (for those not able to bring their books that weekend) are coming soon. You can read the [instructions](#) now at the [TEACH](#) website.

Last year we received manypositive comments from buyers, who loved the organized layout (everything arranged by topic), and sellerswho appreciated the ease of us doing all the selling, while they retained 90% of their profits!

We love being able to serve CT home educators with events like these, in addition to our Annual Convention and Curriculum Fair highlighted below. It is our heart's desire to continue to support you in your homeschooling journey again this year.

Thank You!

Donna Person*
